Amy,

I'm really glad I met you this year. You crack me up! Maybe we'll have the pleasure of being in another class with Gurnsch next year. I hope that would be fun. Have a good luck always.

Nancy

Amy-

Hope you had a good time in Staffords class! (Good joke). It really sucked. Hope we have a few more classes next year. Have a good time over the summer.

Scott "Big" B. B. B.

Amy,

I'm really sorry we didn't become good friends this year. But we had a blast in 9th grade. Maybe next year. Call me sometime.

Amy, I want to thank you for all the help you gave me at the library and in Mrs. Dunbar's class. I really appreciate it. See you down town sometime. By

Amy,

It was fun to share a stand with you (especially all the times!) All, Dave, your mind (I don't know if I ever will) you know, we should really wear our shoes backwards every day. Have a good summer but don't get too burned. (I will you be inside all the time?) Maybe we should have classes together next year and even if its not bad, we should have a special folder just for a certain purpose.

See you next year.

*Gallant hero of tournaments,
spirited lover of adventure,
protector of the weak,
possessor of humor and wit —
the medieval knight was the
champion of his time.*

*After receiving the accolade,
the tap on the shoulder from the
sword of his king, the knight
upheld a code of courtesy,
bravery, and romance.*

*And we, the Knights of today,
still strive for a life filled
with friendship and fun . . .*

Math

Loy Norrix has a strong math department. Classes are offered in plain and solid geometry, algebra, trigonometry, consumer's, probability and statistics, and introductory analysis. This year calculus was taught at Norrix.

Every year math students from Loy Norrix participate in the Michigan Math Contest. This year the following people qualified for the second round: Julie Adams, Lisa Bernstein, Philip Berry, Todd DeVries, Stuart Dunbar, Donald Hill, Al Ko, Daman Koranekos, David Lewis, Ronald Ray, Mark Rowe, and Seema Sonnad.

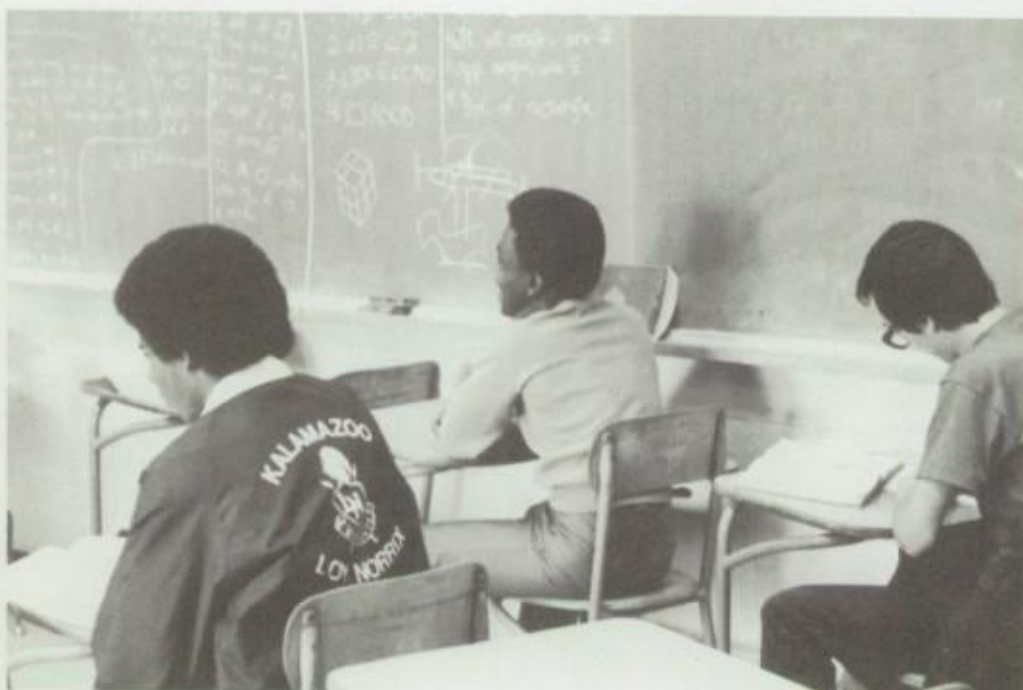

Congratulations to these people.

Last spring Mr. Graham's anthropology class had an archeological dig. The students divided into two groups. Each created a culture, made artifacts, and buried them in the A wing courtyard. Then both groups excavated the other's sight using archeological methods. They then tried to piece together facts about what kind of culture the other group had created. The purpose of the dig was to learn but also, as Mr. Graham said, "To have fun!"

The 1979 Knights baseball team was led in pitching by Steve Crawford and Joe Hoy. The leading hitter was second baseman Jay Norris who hit over .400 for the season. Coach Don Zomer felt that he had very strong leadership from his seniors, particularly Mike McBride, who hit .400, and John Deschaine who was an outstanding fielder. This was the Knights third straight winning season.

Coach Woodrow felt that the J.V. team learned a lot through the season from the mistakes they made. Regardless of what the score was, the team battled until the final out. They tried to play an aggressive game of baseball. The team entered the field with class. The emphasis was on the development of sound fundamentals.

Coach Woodrow added, "when the dust settled, the most important thing was that they were a lot stronger. They learned a lot about the game."

The Loy Norrix women's golf team had a fine 1979 season. This was proven at Regionals where Norrix came in with a low score of 493 defeating cross-town rival Kalamazoo Central. The women's golf squad is not as large as many of the other spring teams, but we still upheld the tradition of winning at Loy Norrix.

D: Kim Cook makes contact with the ball. E: Liz Mangee tees off on the first hole at Milham. F: Julie Davidson, G. K. All-Star, leads her team to a victory. G: Carrie Webster leans into one.

Men's Tennis

Front Row: Vu Le, Jeff Hsi, Eric Hsi, John LaParl, Doug Byerly, Bruce Cohen. Row Two: Pete Doerr, Dave Oudsema, Steve Walker, John Christian, Marc Cohen, Pete Constance, Todd Semrau, Dana Hutter, Al Ko, John Cohagen, Coach Kiewiet.

The 1979 men's tennis team was no exception to the tradition of State Champion teams produced by 1979 Michigan Coach of the Year Herm Kiewiet. The team, led by senior co-captains Bruce Cohen and John Christian, easily captured the Greater Kalamazoo, Conference and Regional titles. Marc Cohen and the doubles team of Byerly and Hsi captured their respective individual state titles. Cohen played 1st singles, John LaParl played 2nd singles, Dave Oudsema played 3rd singles, and Marc Cohen played 4th singles. Hsi and Walker played 1st doubles, Hutter and Christian played 2nd doubles, and Byerly and Hsi played 3rd doubles. The team would especially like to thank the assistant coaches Mr. Brooks and Mike Straubel for their unending support.

The Loy Norrix Women's Softball Team had an outstanding season in 1979. The team was coached by Mr. Wes Harville.

Although we were a very young team with seven sophomores, two juniors, and only four seniors, our overall record was an impressive 14 wins and 5 losses, tying us for second place in the conference. Three of our four seniors; Julie Roellchen, Sherri Schuhardt, and Cathy Dee, qualified for the All-Conference squad and served as our captains.

Not only did we learn alot about softball and team cooperation, but we also had a great time.

Row Two: Ron Ryan, Randy Alworden, John Vandewalker, Jimmy Ryan, Paul Flynn, Tom Glendening, Randy Wicks, Tom Fill, Kieth Harris, Tom Lilly. Row Three: Rudy Callen, Chris Eaton, Randy Forsch, Phil Berry, Brian Segraves, Bill Burns, Jeff Kristen, Dave Dunn, Randy Conners, Tom Tiller, Terrence Hoskins. Row Four: Duane Johnson, Rich Wilcox, Paul Martin, Leon Brown, Ryan Schultz, Anthony Daniels, Rex Tucker, Darnell Cobbs, Dave Martell, Todd DeVries.

The men's track team finished the 1979 season with 9 wins and 0 losses in dual meets, which added to a total of 8 years during which the track team hasn't been defeated. The team came in second in the Bloomfield Relays and was in the top 20 of the state meets. All the other invitationals which we attended, we brought home 1st place trophies. The following people went to state: Terrance Hoskins, Darnell Cobbs, Mike Echols, John Reece, Ron Ryan, and Vance Goodwin. All brought home metals.

This year we weren't the most serious track team. To see us at practice you would never believe that we were the same team on the day of the meet. Most of the runners spent half of the time pretending to stretch and the other half dodging work. But the day of the meet we ran the other team right off the track.

— Vance Goodwin

A: Bernie Marr in a blazing finish. B: Darnell Cobbs passes off to Vance Goodwin. C: Darnell Cobbs in the midst of a fine takeoff. D: Herb Hale . . . another first. E: Mike Echols gives his all against K-Central.

Women's Track

The women's track team of 1979 had a very successful season which included a defeat of Kalamazoo Central who had a past dual meet record of 49-0. Not only did we win all of our dual meets, but we came in first in our conference. Five seniors and one junior made it to the state meet: Sherry Buchanan, Yonee Bryant, Gina Douglas, Mel Durden, and Becky Schmitt. Overall our season was a good one, and we are hoping to continue the great efforts in the future. One for all, all for one, all for Norrix!.

We came together awkward,
Boy! Were the halls a mess.
But in time we learned to function as a well oiled machine.
We pulled together and cheered our comrades.
We were one mighty force, invincible — almost.
But now the time has come to say so long.
We bid a fond farewell to our graduating class
As we await another batch of new kids.
Soon they'll be the pros bidding us farewell.
Awaiting still another group of underclassmen.

Front Row: Pat Smith, Tina DeVall, Cecila Cross, Coach George Green, Kelly Hirsch, Paige Greve, Beth Burns, Sherry Buchanan.

The basketball team had a pretty good year. We lost quite a few games that I felt we should have won. This year we weren't very strong in rebounding. We lost a couple of good rebounders last year. We did well in the District Tournament, placing second. The Loy Norrix Women's Basketball Team had a lot of fun playing the game. Even though we lost quite a few games, we feel that having fun in basketball is all that matters.

— Sherry Buchanan

A: Sherry Buchanan pumps it in for a winning basket. B: Paige Greve blocks the opponent. C: Pat, Sherry, Tina, and Cecila show blue pride. D: Join the crowd. E: Paige and Kelly fight to recover a rebound. F: Kelly Hirsch banks it for two more. G: Sherry Buchanan shows excellent extension on a jumper.

Women's J.V. Basketball

The Women's J.V. Basketball Team had a good season this year. We didn't have very many people, but we worked well with what we had. We had our ups and downs, but we learned to pull together and put forth a real team effort. With the help of our coach, Mr. Akey, we improved our ability and the future looks promising.

— Martha Mastin

A: Martha Mastin leaps with the touch for two points. B: Shelley Wicks muscled her way to steal the ball. C: The team pauses for a pep talk. Men's Cross Country

This year's men's cross country team hurt because of loss of seniors from last year, injuries, and a small team. We had a 3-5 record. Despite the losing record, there were many bright spots during the season. We started out strong, beating Battle Creek Lakeview, who later won the Big Eight Conference, and Sturgis in dual meets. Then injuries took their toll on the team. We also began to see who was who on the team. Bob Martell made a great improvement over the last year and was a strong number two man. Dave Cross ran with great poise for a sophomore as third man. Bernie Marr gave it all he had despite an injured knee. Dave Means, a senior running cross country for the first time, had the best time improvement on the team during the season. Dan Talayco showed heart and determination in every race as he made a significant time drop. Joe Dee ran some good races as he contributed to the team. The season ended for everyone except Dave Dunn at the Regional Meet. Bob Martell just missed out on qualifying for State. At the State Meet Dave Dunn finished eighth, earning All-State honors. The season didn't end up too well for us, but if the guys coming back next year work hard, they have the ability to do something. They also need new people to come out for the team so there isn't any shortage of runners.

Women's Cross Country

This year's season brought much excitement and accomplishment. Contrary to certain beliefs, women's cross country isn't really "like watching the grass grow." The team came a long way throughout the season. In spite of illnesses and injuries everybody showed great perseverance. The highlight of our season was our Regional Meet where the team placed fourth and qualified for State. Karen Klein placed 3rd, and Bonnie McDonald finished 6th. The whole team gave 100% the whole season. Best of luck to the graduating seniors who will continue in succeeding to build a strong program.

Men's golf placed fourth in the Big 8 conference, placed second in G.K., and eighth in the Regionals. The team was led by Bill Johnson, whose best score was 74. Steve Walker's best score was 71.

In third position was Bruce Amlicke, with a low score of 79, and in fourth position was Bill Fahl, whose best score was 76. John Fahl and Dave Swiat battled all year for fifth position. John's best score, 84, was at the toughest golf course we played all year. Dave Swiat's best score was 79. The golf score team had its best score ever at Holland's golf course — 308. Bill Johnson made both the G-K and All-Star teams. We were a good team and we hope Bill has good luck with golf in the future.

To begin the season with our new coaches, Nancy Lewis and Norma Collison, was the best (or worst) thing that could have happened to the Loy Norrix Women's Swim Team of 1979-80. Even though the swim suits and sweats left a bit to be desired, we made do with what we had. Our mouths tended to make up for our talent, as we engaged in cheers, songs, and screaming. The support throughout the season from our fans was well appreciated. The swim "program" was something we all will never forget. The seniors wish luck to the next years team and hope they can master the lanemarkers better than we did.

The Loy Norrix Women's Tennis Team was undefeated in 1979. The season started out with a bang when our team beat Portage Northern. Linda Balkin won the final tie-breaking point in the third set that gave us the victory over Northern and broke its 55 match win streak. We were League Champions and placed 2nd in the Greater Kalamazoo Meet. Leslie Gluck and Sarah Burns were conference champs at 2nd doubles, Liz Mangee was conference champ at 4th singles, and Julie Haab finished 5th in the State Tournament. Mr. Court was a fantastic coach and the whole team thanks him for his time and dedication. Thanks also to Al Ko, our manager. We had great team togetherness and a lot of fun. Varsity Football

When practice started in August, everyone was skeptical about our team including us, the players. People picked us last in the conference. Gradually, our team began to come together. At the Muskegon Scrimmage we really had something going. We worked hard the next week because then came Sturgis. We blanked them 14-0. Next was Portage Northern. Our heads were as big as watermelons. We figured that we had them beat because of their awfully young team. They surprised us, 12-6. We were all totally embarrassed. Then the Big One — K.C. They were supposed to be the big team in the state. This game was when our team became a family. We beat them 14-6. I think that was our greatest victory. We continued our winning streak up to the Big Game against Niles. We played our hearts out, but lost with five seconds left. We gave it our all. We killed Lakeshore. On the whole our season was a great 7-2. I always say, the cream always comes to the top. I didn't think we could do it, but we kept the winning tradition. Remember: The Knights are *always* ready to roll.

One of the real pleasures in high school coaching is watching a team start out as a real underdog, and end up as a real contender. We started the season with very little experience but through hard work and dedication on the part of our athletes we ended the season tying the second best record in our school's history. Our team exemplifies the fact that a team can win in more ways than on the scoreboard. If everyone does their best and plays up to their potential than they are winners in every book. I hope future teams can play with the same togetherness, intensity, and pride as the 1979 squad.

This year the Loy Norrix cheerleaders started off as two squads, varsity and junior varsity. Because of a budget set back, junior varsity cheerleaders were cut out. At that time the cheerleaders became one big varsity squad.

Although the weather was sometimes cold and harsh, the cheerleaders kept their spirit going throughout the season. At almost every game they baked the football team cookies and cakes. The team really appreciated this. In return, they bought the cheerleaders roses for parents' night.

Not only were they spirited in school and at games, but this summer while at a cheerleading camp at Western, they won a ribbon to go to state for a superb pom pom routine and received the Most Improved Award on competition night.

As the season came to an end all the senior cheerleaders agreed that this was one of the best cheerleading seasons they had ever had.

Student Government is the most powerful student organization in the entire school. We sponsor many community activities such as breadlifts, walk-a-thon and blood drives. Some of the intra-school projects include flower sales, valentine sales, senior breakfast, homecoming (fall and winter) and pep assemblies. We in student government have a lot of fun jobs which we work hard at accomplishing. Student government works closely with the administration and with this joint effort we help to make Loy Norrix the best it can be.

Student Advisory

Student Advisory is based on parent and student involvement. These two groups are the basis of Student Advisory. Each high school and junior high has a Student Advisory committee. The purpose of Student Advisory is to work closer with the students. We work on attendance, student recognition, suspension, and racial and sexual isolation of classes.

Grievance Committee

Student Grievance Committee got off to a good start for the 1979-80 school year. Headed by Mr. Wunsch and Mrs. Szymczak, the committee had twelve active members. Student Grievance is a committee made up of sophomores, juniors, and seniors. The committee's purpose is to provide an orderly process through which the rights of students may be insured. The Student Grievance Committee has proven to be an effective vehicle for resolving conflicts between students and teachers.

Sophomore Class Officers

With Sophomore Class Advisor, Betty Forsberg, we had a very successful year. The officers were enthusiastic and ready to work. In the fall the Sophomore Class got off to a rough start with their float *"Tonight's The Knights For Victory"*, but thanks to the Thompsons and other fine supporters we finished the float successfully. The Sophomores got to order their class rings from Jostens in November. Our fund raiser was family portraits. It was a lot of hard work but it paid off. Next year our hopes are to get more people involved. With your support we'll have a very strong class that everyone can be proud of.

Junior Class Officers

The Junior Class went through many rough spots but had a successful year. Many worked on our second-place homecoming float. We plan to take first next year. We are already setting up committees for our Senior year. The sale of our sports buttons was very successful. We are looking forward to our Senior year, but we will need the participation of all future Seniors to make it a great year.

The other officers and myself wish to thank Mr. Szyperksi and everyone who has become involved with the Junior class. Their time and effort is always needed and appreciated.

These past three years the class of '80 has been involved in many fund raisers and has tried to promote school spirit and participation. We've been active in areas from homecoming floats and sponsoring dances, to the prom and graduation. I feel that our class has been the most productive, high-spirited, fun-loving, yet serious class to graduate from Norrix.

The 1980 ski racers did very well in competition this year. We competed with other area high schools at Timber Ridge and Crystal Mountain. The team captured many outstanding wins throughout the season, short as it was. Next year we're looking forward to more snow and another outstanding season. For the men outstanding performances were turned in by Brad Ritchie, Brent Walk, Rob Kneen, Fred Nahm, Todd Semrau, and Bob Martell. Sarah Koppes, Sharon DeLong, Kim Snyder, Carolyn Martell, and Sue Burris were exceptional for the women. A special thanks should be given to our advisor, Richard Todd.

The Intercultural Exchange club is a school organization meant to bring the foreign students in our school together with Americans to experience things he or she might not get to do while in the U.S. We come together to learn about each others' values, goals, cultures, and lives in general. The club insures that many foreign students get in on the American way of having fun. The club meets once a month to plan activities and discuss business. Once a month we have a social activity, involving a trip skating, bowling, a party, or a possible museum visit. The exchange students become close friends throughout the year. All foreign students and their host brothers and sisters are automatically in the club, but some do not come. Any American who has interest in foreign faces and places can join us. The International Youth for Understanding exchange student program is represented by Mr. Brenner at Loy Norrix. We get to know each other pretty well. We make it a point to see that nobody leaves unaffected.

Distributive Education (DE) identifies a program of instruction which gets students ready to go into the marketing, merchandising or management field of work. Distributive Education encourages good grades and attendance. Juniors and Seniors find part-time jobs that relate to their future work as much as possible.

DE is split into two chapters. Chapter I is all seniors; some

had DE two years and some one year. Chapter II is all juniors who are in their first year. Chapter I runs the bookstore and as a group makes decisions on what should be done in the bookstore and how it should be run.

Through the first semester, Distributive Education students also get prepared for competition against other schools in Competency Based Competitive Events.

The WLNS Club combines learning with experience. Every morning, Monday through Friday, the members of the Club put out a morning news show. The students get the chance to collect, write, and deliver the news, sports and weather, along with running the cameras and other broadcast equipment. Right now, they are in the process of getting a broadcast radio station for the school and community.

Accolade

This year's Accolade staff consisted of 14 students. There were four photographers. Each photographer had assignments to take pictures for the different sections of the book. We are very fortunate to have this system because most pictures in the yearbook were taken by our own photographers. Julie Haab was our editor and Lauria Palmer was our managing editor. The other students were assigned sections and they were the editors of the sections. They chose the pictures they wished to use and put into the sections.

I really enjoy Loy Norrix. The school has a warm feeling to it (except in the halls where it is about 40°). No matter what anyone says there is no better school . . . Bill Wilson

I really enjoy going to school. The classes offer you more than if you just had classes for certain grades, like we had in junior high. There's a sense of freedom here, in that the classes are relaxed. I had moved from another school district that had a very uptight setting not like we have here. Choir director Thomas Kasdorf has kept the choir under tight reins and extremely busy this year (allowing the choir barely time to breathe between notes). They started off with a heavy schedule and unusually difficult program which they performed at a conference in Grand Rapids. People were impressed that such inexperienced members of a choir could learn so difficult a program early in the year.

After Grand Rapids, the Music Department staged the annual Homecoming Show. The auditorium was packed with standing room only. The show seemed successful in raising spirit from the audience. Christmas was again celebrated with the traditional Orchestra and Choir Christmas Festival. Soloists were Mary Severance, Jenny Brown, and Tammy Ashton. The choir again carolled at the Kalamazoo Center and received several warm responses.

After Christmas vacation, the choir worked on the musical-comedy *Carnival*, with music and lyrics by Bob Merrill. The principal leads were played by Jim Bonevich as Paul, Tammy Ashton as Lily, Mike Weaver as Marco, Kathy McShane as Rosalie, Bob Bernstein as Schleigal, John Shaw as Grober, and Jim Ryan as Jacquot. The entire music department — Cathy Mulay, the director, and Cathy Williams, the choreographer, all worked *LONG* hours to make this musical a success for all concerned.

The Orchestra at Loy Norrix has always been quite an active and exciting group. There is great talent to be found in every section, as was shown at Solo and Ensemble this year when many small ensembles from the orchestra received superior ratings.

As a group the Orchestra spends long hours after school every night, as well as rehearsals to prepare for performances such as the Homecoming Show, the Musical, MSBOA Festivals, the Christmas Festival and the Spring Concert.

The String section is also busy all year with performances for different things such as the National Honor Society.

 Row Four: Nancy Pitt, Deann Hart, Kent Rubin, Matt Richards.
 Row Five: Mr. James W. Roach, Kelly Cavanaugh, Don Haney, David Levine, Randall Burgess.

There may be many organizations at Norrix, but none more active or enthusiastic than the Wind Ensemble. The Wind Ensemble starts its year off as the Marching Knights with rehearsals Wednesday nights, football games Friday nights, and in school rehearsals. During Homecoming Week we played at the Bonfire and took an invigorating walk to the parade sight to march in the parade. Then we plunged into concert season and spent much time rehearsing for the Christmas Festival, Spring Concert, music for our spirit week and other concerts. We played for every home basketball game. To finish off the year the band played in the Memorial Day Parade.

Band Day

A

Last September the Loy Norrix Marching Band participated in Band Day at University of Michigan's Stadium during the Slippery Rock-Shippensburg State game. Nearly ten thousand musicians were assembled on the field in over 100° heat going for a Guinness record of the largest assembly of a mass band. It was a tiring day, but worth it for the enthusiastic crowd of 65,000.

The Loy Norrix Hockey Team won their third Southwestern Michigan Hockey League crown. We had a very successful season since our underclassmen improved greatly and our seniors reached their potential. We had a well-balanced team, with excellent forwards, combined with the best defense in the league. The Knights also have the finest coach in the state, James Webber. Webber led the Knights in seven successful campaigns and never finished lower than 2nd place. He will be sorely missed next year because this is his last season. His replacement, Eric Perry, is more than capable of doing an excellent job. With our balanced attack and fine coaching the Knights had another fine season.

This year, Loy Norrix has carried on the tradition of having an excellent gymnastic team. We were coached by Augusta Lipsey, who was a former gymnast. Although the practices were often hard, we made them fun. Sometimes we were lazy and would just sit around talking about soap operas. This never showed during meets, however; we always gave our all, and cheered each other on. The best thing about gymnastics is working really hard on a routine and then getting a good score on it at the meet. It makes you feel you've really accomplished something. To do well in this sport you really have to work, but it's almost always fun.

Not pictured: Lowell Crow (Mgr.).

This wrestling season has been a building time for Loy Norrix. The low number of juniors and seniors can prove this. There are only two juniors and three seniors out this season. The two juniors are Charley Olsen and Jim Block. The three seniors are Mike Andrews, Scott Butler, and Don Coleman. Although the number of juniors and seniors is down the sophomore's number is up. There are ten on the team. They are Garry Allen, Doug Beauregard, Leroy Bell, Vimce Borski, Bernard Donaldson, Scott Jacobs, Tomas Jerry, Mark Mullett, Dave Nivila, and Pat Stier. All of these wrestlers will be great hopefuls in the future.

In the future, I feel that Loy Norrix will have an outstanding wrestling program with coaches like Garry Hopkins and Larry Haley who have great backgrounds in the sport. Managers for the team were Lowell Crow and Joan Edwards.

The Loy Norrix Varsity Volleyball team did not win any state honors, nor did we go 16-0. Actually the scoreboard showed up to be very low in ratings. But winning isn't everything! We have improved our skills tremendously throughout the season and have learned to grow and accept each other. This is due to a lot of team effort and time spent, but it was worth it because the fun and memories will always last.

This year's team will be losing four of its starting players to graduation, but returning are a strong group of girls who are willing to learn and play together. Best of luck to them and to Coach Wes Harville; without Coach we couldn't have made it through the season.

Junior Varsity Basketball

The Loy Norrix Junior Varsity squad began the season with a slow start. We lost our first game, but as our season progressed, we gained experience and were able to improve our winning record. Our team is strong and we don't give up easily. We've had a few disappointing times, as we lost about seven players from our squad. This hurt us somewhat, forcing us to work better as a team. After some rearrangement of players we began to pick up our momentum and are doing much better. We have respect for ourselves and are working to improve our weaknesses.

Basketball cheerleading was very different than football. In football we were just one squad, but in basketball we were two different squads. This was all the harder to keep the squads together and organized. But with the girls we had on the squad, we were able to stay together and get along quite well. I'm sure we all agree that it was a really great season and we all had a good time cheering. No matter what the situation, we always seemed to stay together. In years to come, we will all be able to look back upon basketball cheerleading of 1980 and remember all the good times and how much fun we had. It's really been a great experience for all of us. Especially the night of the Muskegon Heights game.

The 1980 basketball team has had a most unusual season. We were lacking in self-discipline, but as the season went on we gradually realized that we had the ability to do what we were capable of doing. It took us a good long while to actually get our game together. After all the hard practicing and not winning we realized it wasn't worth it. We had to start playing ball the way we knew we could and we had to make our hard practice pay off. After our games against Muskegon Heights and St. Joe, we found out what we could do as a team when we play together. Each individual knew his responsibility on the court. We felt that we made the best of the rest of the season.

Fall Homecoming

1979 Homecoming Court: Steve Crawford, Sherry Buchanan, Joe Stevens, Karla Myers, Michele Belvitch, King Ron Ryan, Queen Barb Lee, Paul Martin, Beth Fisher, Anthony Poplar.

This year our Fall Homecoming was a blast. The week was full of many exciting festivities: clowns, dress-ups, dance, floats, bands, bonfire, and supportive fans. The game ended by a disappointing margin of 10-7. At half-time the floats paraded around the field as the court was introduced and the king and queen, Ron Ryan and Barb Lee, were crowned. This night was really the Knight for Loy Norrix's Fall Homecoming of '79.

After eight weeks of practicing every weekend, running, blocking, getting tackled, trying to learn plays, and at the same time getting psyched up to stomp the other team, Sunday, October, 17 finally came. It was the Sunday to start off the Homecoming week and the game was ready to begin. The student referees blew the whistle and the football was kicked off. Juniors got the ball and ran for several yards but failed to score. The ball soon turned over to the Seniors. Junior defense was tough and worked hard, but the Seniors came on too strong and had control of the ball most of the game. To cheer on the Seniors were a group of male cheerleaders who livened up the game. Time ran out nearly an hour later and once again the Seniors won, producing a score of 22-0. It was a hard and exciting game for both teams and seemed to kick the Homecoming week off to a good start.

Winter Homecoming

Front Row: Lauria Palmer, Veronica Hemphill, Robin Rose, Loretta Moore, Kathy Klok. Back Row: Carl Gertsner, Tom Enslen, Stu Dunbar, Robert Williams, Mark Sandmeyer.

This year's Winter Homecoming didn't bring about much enthusiasm within the school. Homecoming Week started off with Western's Day in which even Mr. Blanke participated. Tuesday was Outer Space Day and the costumes ranged from Mork from Ork to Martians. Wednesday was Ethnic Day, and that night the Homecoming Court was presented at the hockey game. Thursday had the most participants because it was Grub Day, giving most of the school a chance to pull out their beloved grubbies usually worn on the weekends. Friday was Support Your Sport Day. It gave all the jocks a chance to show off. That night was the homecoming basketball game. The crowd, although unfortunately small, was quite rowdy. The court was again announced at this game.

Christmas Dance

A

C

D

This year's Christmas dance was held on December fifteenth in the cafeteria and was sponsored by Mr. Streeter and the Senior class. The dance drew in nearly 200 people and lasted from nine o'clock to one a.m. Mike Foster and Tony Peake were the d.j.'s who kept the party rocking all night. The unique part of the dance was that the girls asked the guys, which brought about many interesting couples. The dance got everybody in the Christmas spirit with all the festive suits, dresses, and decorations.

Dr. Loy Norrix
Superintendent of Schools 1936-1958

Loy Norrix High School is named for Dr. Loy Norrix, who was Superintendent of the Kalamazoo Public Schools from 1936 until his death in 1958. It had been under his leadership that our school was conceived. Construction was completed and classes began in the fall of 1960. The building design was featured in national magazine ads because of its unique use of glass. With the construction of the K and M units, new PE areas, and the glass tower entrance in 1970, the school took on its present form.

Background picture is an aerial view of the school's construction in 1959.

NEIGHBORS IN A GLOBAL VILLAGE.

The earth is shrinking.

Today what happens in one part of the world sends ripples to all corners of the globe.

In a very real sense, we all have become neighbors in a global village. No nation, no corporation, and no individual can stand alone.

As your neighbor, The Upjohn Company is dedicated to improving the quality of life for all. Through research. Quality products. Community service. And respect for the environment.

We strive to be a good neighbor in today's global village.

Ameyyy,
 What a riot!
 I love your
 smeezes! Wasn't
 Mrs. Nahms class
 a fake? Maybe
 I'll see ya this
 Summer!

This Amy
 was a great
 and I got a
 crazy idea
 to take her
 (band) to
 took over
 me did that
 soon get
 like to
 (3:15-4:22)
 I'm glad
 we planned

 Lint was
 hard but
 I just got
 to know
 you but
 I know
 you are
 a terrific
 person

Amy Knight,
 of the KANS Knights, really
 cute! Anyway Amy, the
 library was just so much
 fun, but having you in
 YA (YA) made things
 endurable. And now at
 the end of this year, we
 have the Fabulous Free
 Summer, along with
 more work, ahead of us.
 Well, that means I
 will be seeing you.

Doonse burg
 Reincarnated!
 lol.

Amy,
 I'm really
 glad to
 hear you
 are having
 a good
 time.
 I'll see
 you in
 the sum-
 mer.

And I believe
 school is hard
 I'm glad you
 are having
 a good time.
 I'll see
 you in
 the sum-
 mer.

Amy,

It has been exciting, wild, different
etc. sitting next to you in American
Lit. We will have to get together
~~later~~ sometime this summer (party!!)
and do something. OK. Well,
Call me (345-4218),
have a party
and
take

(81215-4218)
 Amy,
 glad I
 know you
 Your a
 and a f
 have to
 sometime
 take care,

Amy,
I'm glad I met
you this year, I hope
I can get to know
you better in the
years to come. We
made it through a
year with mm. Radm,
too bad we weren't in
the same class. I enjoyed
sitting next to you
in Amer. Lit.

Bonnie "82"

Amy, Jim really
glad I got to meet ya
eventhough it could
have been in a more
exciting place than
Stafford's room. I hope
we have some classes
together next year. How
a good summer and stay
luck always. Friends (Ch)

AMY,
Like wow.
It's been great.
I had ya in a glass,
This year, in grad
I had ya in a glass,
ITS BEEN GREAT.
SUMMER.
With
Sweetly '82"
P.S (have
Fun
Summer)
